Need assistance on a specific RFQ?

Don't worry, that's our job. We've got relationships with hundreds of manufacturers, and it's likely we've already worked with yours. If we haven't, we'll contact them and become a certified distributor so we can offer the best service, pricing and experience.

Contact us so we can send you more information.

You can count on MALLA!

MALLA is committed to add value to your organization. We strive to provide the best experience on the market, working towards higher efficiencies and lower acquisition costs.

It is a pleasure to work with you!
